Introduction to Moodle

Assignment Submission

What
This is the **Referral/ Deferral** submission area for the **Research Proposal**. Please **3 documents** (in PDF or Word '.doc' or '.docx' format).

You must click the Copyright Declaration box before you can submit anything.

When
Submit your assignment by **12:30pm on Thursday 18 August 2016**. You may submit as many times as you like before the due date. Please allow yourself plenty of time to submit the assignment including the time needed to resolve any issues.

Please note that any student who misses their deadline will have their work recorded as late.

Information about the submission will be here. Make sure you read this as it will have vital information.

Check how many parts you need to submit

Submission status

2. Click Add submission

Make changes to your submission

The screenshot shows the Moodle interface for an assignment submission. The breadcrumb trail is: Courses > Introduction to Moodle > Course Information > Assignment Submission > Edit submission. The left sidebar contains an 'Administration' menu with options: Course administration, Switch role to..., Return to my normal role, and Site administration. The main content area is titled 'Introduction to Moodle' and 'Assignment Submission'. Below this is a 'File submissions' section with a file list table. The table has a header 'Name' and one row with a file icon and the name 'Assignment - abc12345678'. At the bottom of the file list are 'Save changes' and 'Cancel' buttons. Annotations include: 1. A box labeled '3. Either click to add a file or drag and drop your file here' with arrows pointing to the file list header and the file name. 2. A box labeled '4. Click Save changes' with an arrow pointing to the 'Save changes' button.
